

Azimuth Capital Management – website legal disclosure

These Terms and Conditions of Use ("Terms and Conditions") are Current as of July 17, 2020.

Welcome to navigatingenergy.com/ (the "Site"), a Site owned and operated by Azimuth Capital Management ("Azimuth"). All materials appearing on the Site are either owned by Azimuth or by third parties and are posted on the Site by virtue of a license, grant or some other form of agreement between such third party and Azimuth.

The Site has been created for your personal information and use. However, in order to access the Site or use the materials contained herein, you must agree to abide by these Terms and Conditions and all applicable laws. Your access and use of the Site means that we will assume you have consented to the Terms and Conditions, as amended from time to time, and each time you access or use the Site, you indicate your acknowledgement and acceptance of the Terms and Conditions. If you disagree with any of these Terms and Conditions, you should leave the Site immediately.

As Azimuth reserves the right to modify or amend these Terms and Conditions without notice at any time, it is important that this page be read on a regular basis so you are aware of any such changes.

1. Proprietary Rights

All content included on the Site (including, without limitation, the design, text, graphics, trademarks, service marks, logos, slogans and Internet domain names as well as any audio or video) and any selection or arrangement thereof (the "Content"), is the exclusive property of Azimuth or its licensors and is protected by international copyright, trademark, services marks, patents, or other proprietary rights and laws. Use of any such property, except as expressly authorized, shall constitute a violation of the rights of the owner of the property and is strictly prohibited without our express written consent.

Copyright Notice: Copyright 2020 Azimuth Capital Management Calgary, Alberta, Canada, All rights reserved.

2. Use of Site

Azimuth agrees to provide access to the Site to you solely in accordance with the Terms and Conditions. In consideration therefore, you shall:

- (a) not copy, reproduce, republish, upload, post, transmit, or distribute the Content from the Site in any way whatsoever, except that you have the right to download one copy of the materials on any single computer, for your personal, non-commercial use only, provided that you keep intact all copyright, trademark and proprietary notices and Azimuth is appropriately accredited;
- (b) use the Content solely for lawful purposes;
- (c) not create derivative works from, exploit or modify the Content in any way;

(d) not interfere with the security of, or otherwise abuse the Site or any system resources, services or networks connected to or accessible through the Site;

(e) understand and agree that the Site, the services and the Content are provided "as is" and that Azimuth assumes no responsibility in connection with your use of the Site, the services or the Content provided herein;

(f) not interfere with or disrupt the Site, the services, the Content or servers or network connected to the Site, the services or the Content, or disobey any requirements, procedures, policies, or regulations of networks connected to the Site, the services or the Content;

(g) not intentionally or unintentionally violate any applicable local, provincial/state, national or international law;

(h) only use this Site if you are legally able to make binding contracts under applicable law; and

(i) acknowledge that the unauthorized use of the Content may cause irreparable harm to Azimuth and that in the event of an unauthorized use, Azimuth shall be entitled to an injunction, in addition to any other remedies available at law or in equity, to prevent such irreparable harm and that the balance of convenience in preventing such use rests with Azimuth.

3. No Solicitation and Jurisdiction

This Site does not constitute an offering under applicable securities legislation. All potential investors should seek independent information and advice from qualified investment professionals.

4. No Suitability Review, No Advice

Azimuth does not determine the general investment needs and objectives of the Site user or provide determinations of suitability in respect of proposed purchases or sales of any securities.

Azimuth does not provide advice or recommendations regarding the purchase or sale of any securities. Information on the Site is for informational purposes only and is not intended to provide, nor should be construed as, investment, financial, legal, accounting or tax advice and should not be relied upon in that regard.

Azimuth expressly rejects any responsibility for the appropriateness of the information described herein for any reader's, viewer's or listener's purposes, as well as for the results obtained from using such information. Readers, viewers and listeners are cautioned that they are responsible for the accuracy and appropriateness of utilizing information contained within the Site (including, without limitation, in the Content).

5. Forward Looking Statements

Certain information within the Site (including, without limitation, in the Content) may contain forward looking statements and statements of financial outlook (collectively, "forward looking statements") under

the meaning of applicable securities laws. Forward looking statements include estimates, plans, including expectations, opinions, forecasts, projections, guidance or other statements that are not statements of fact, including but not limited to relating to economic and global and industry conditions and commodity prices. Such statements involve significant known and unknown risks, uncertainties and other factors outside of Azimuth's control that could cause actual results to differ materially from those expressed in the forward looking statements. Neither Azimuth nor any of its affiliates undertakes any obligation to publicly revise such forward looking statements to reflect subsequent events or circumstances, except as required by law. Azimuth has a risk profile commensurate with investments in the oil and gas sector, and in particular, investments in smaller high risk enterprises within the sector. The risks associated with oil and gas investing include, but are not limited to: the price risk associated with crude oil and natural gas prices, the risks inherent in exploring for oil and gas reserves (e.g. operational risks in the development, exploration and production of crude oil and natural gas, delays or changes with respect to exploration or development projects or capital expenditures, the uncertainty of reserve estimates, the uncertainty of estimates and projections relating to production costs and expenses and health, safety and environmental risks), the risk of an investment in smaller companies and general market risk. Because of the risks, uncertainties and assumptions inherent in forward looking statements, prospective investors in Azimuth's securities (including, without limitation, readers, viewers and listeners of the Content) should not place any reliance on these forward looking statements.

6. Use of Third Party Information and Links to Third Party Websites

In connection with the preparation of Content on the Site, certain of the information and data herein may have been obtained from publicly available documents and other sources prepared by third parties or presented by third parties (including, without limitation, statements, opinions and views of third parties), and Azimuth has relied upon such information and data. Azimuth does not audit or otherwise verify such information (or statements, opinions or views) and data, does not represent that any such information and data is accurate or complete, and disclaims any responsibility or liability for such information and data and such statements, opinions and views.

The Site (or the Content herein) may provide, or third parties may provide, links (or other references) to other worldwide websites or resources. Azimuth has not reviewed all of the sites and resources that are linked to its Site or the Content, and the existence of a link or reference does not indicate any approval or endorsement of any material contained on any link or reference. Azimuth is not responsible for the contents of any site linked to or referenced in its Site and your connection to those linked or referenced sites is at your own risk. Because Azimuth has no control over such sites and resources, you acknowledge and agree that Azimuth is not responsible for the availability of such external sites or resources and does not endorse nor is responsible or liable for any content, advertising, products or other materials or information on or available from such sites or resources. You further acknowledge and agree that Azimuth shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with use of or reliance on any such content, goods or services available on or through any such site or resource.

7. Opinions and Estimates

Azimuth may provide the opinions and estimates of its employees on or referenced in the Site, which opinions and estimates shall be provided in good faith and without legal responsibility. All the opinions and

estimates provided by Azimuth employees on or referenced in the Site shall be provided as of the date specified in such Content and are subject to change without notice.

8. Links to the Site

No link to the Site may be "framed" to the extent such frame contains any sponsorship, advertising or other commercial text or graphics. All links to the Site must be to www.navigatingenergy.com/, the Site welcome page. "Deep linking" to internal pages of the Site is expressly prohibited.

9. Cookies and Web Beacons

To enhance your experience with the Site, Azimuth reserves the right to use "cookies". Cookies are text files we place in your computer's browser to store your preferences. Cookies, by themselves, do not tell us your e-mail address or other personal information. We use cookies to understand site usage and to improve the content and offerings on the Site. For example, we may use cookies to personalize your experience at the Site (e.g., to recognize you by name when you return to the Site), or save your password in password-protected areas. We also may use cookies to offer you products, programs, or services. If you do not wish to accept cookies from the Site you can configure your Internet browser to refuse cookies. Should you choose not to accept cookies, you may be limiting your ability to utilize certain sections of the Site. "Web beacons" or clear .gifs are small pieces of code placed on a web page to monitor the behaviour and collect data about the visitors viewing a web page. For example, web beacons can be used to count the users who visit a web page or to deliver a cookie to the browser of a visitor viewing that page. We may use web beacons on this Site from time to time for this and other purposes.

10. Viruses

Azimuth assumes no responsibility and shall not be liable to you or to any other party for any damages to or any viruses, "Trojan horses", "worms", "cancelbots" or other harmful, disruptive or destructive files or computer programs that may infect your computer equipment or other property on account of your access to, use of or browsing on the Site or your downloading of any the Content from the Site.

11. Liability Disclaimer

To the extent permitted by law, Azimuth hereby disclaims all liability (howsoever arising) in connection with any loss or damage, arising out of or in connection with any use of, or inability to use, all or any part of the Site, the Content or any website to which the Site is linked, or any action taken (or refrained from being taken) as a result of using any of the foregoing.

12. Limitation of Liability

Azimuth shall not be liable for any direct, indirect, incidental, special, consequential, punitive or exemplary damages, including, but not limited to, damages for loss of profits, goodwill, use, data or other intangible losses (even if Azimuth has been advised of the possibility of such damages), in contract, tort or any other cause of action, resulting from: (i) the use or the inability to use the Site; (ii) unauthorized

access to or alteration of your transmissions or data; (iii) statements posted by, or the conduct of, any third party on the Site, including, without limitation, the posting or transmission by third parties of defamatory, offensive or illegal material; or (iv) the use or reliance on any Content or matter relating to the Site. This limitation of liability applies, without limitation, to any damages or injury caused by any error, omission or other failure of performance by Azimuth, its affiliates and business partners; any interruption, defect or delay in operation or transmission, including communication line failure; any computer virus; and any theft, destruction or alteration of, or unauthorized access to or use of, any electronic records.

13. Indemnity

You agree to indemnify, defend and hold harmless Azimuth and each of its officers, directors, employees, affiliates and other related entities, agents, representatives, successors and assigns from any and all claims, liabilities, damages, losses, penalties, costs and expenses (including solicitor and his own client costs and fees) arising out of your use of or connection to the Site, any violation of these Terms and Conditions by you or any violation of applicable law or rights properly belonging to another party by you.

14. Disclaimer of Representations, Warranties and Conditions

The Site is provided by Azimuth in good faith but Azimuth does not make any representations or warranties of any kind, express or implied, in relation to all or any part of the Site or the Content or any websites to which the Site is linked, and all warranties and representations are hereby excluded to the extent permitted by law. Further, nothing on the Site constitutes advice, nor should the Site, or any part thereof, be relied upon in making, or refraining from making, any decision. Furthermore, neither the Site nor the Content are necessarily reflective of the views or policies of Azimuth. There is no guarantee that the Site will be free of infection by viruses or anything else which may be harmful or destructive. You expressly understand and agree that:

(a) Your use of the Site is at your sole risk. The Site is provided on an "as is" and "as available" basis. Azimuth expressly disclaims all representations, warranties and conditions of any kind, whether express or implied, including, but not limited to, representations, warranties or conditions of title and non-infringement and the implied warranties of merchantability and fitness for a particular purpose.

(b) Azimuth makes no representation or warranty that (i) the Site, the services or the Content will meet your requirements, (ii) the Site, the services or the Content will be uninterrupted, timely, secure or error-free, (iii) the results that may be obtained from your use of the Site, the services or the Content will be accurate or reliable, (iv) the quality of any products, services, information obtained by you through the Site, or that the services or the Content will meet your expectations, and (v) any errors in the software operating on the Site will be corrected.

(c) Any material downloaded or otherwise obtained through the use of the Site or the services is done at your own discretion and risk and that you will be solely responsible for any damage to your computer system or loss of data that results from the download of any such material.

(d) No advice or information, whether oral or written, obtained by you from the Site or through or from the services or the Content shall create any representation, warranty or condition not expressly stated in the terms.

15. Exclusions and Limitations

Some jurisdictions do not allow the exclusion of certain warranties or the limitation or exclusion of liability for incidental or consequential damages. Accordingly, some of the above limitations may not apply to you.

16. Privacy and Protection of Personal Information

Azimuth respects the privacy and confidentiality of your personal information. Azimuth does not collect your personal information through this Site, except when you voluntarily provide it in an e-mail message to us. Azimuth's general policies with respect to the collection, use and disclosure of personal information are reflected in our company privacy policy and any questions in that regard may be directed to Azimuth's Compliance Officer at 3110, 520 - 3rd Ave SW, Calgary, AB T2N 1P3 Canada.

17. E-mail Communication

The Site allows a user to voluntarily submit an e-mail to Azimuth employees or representatives in circumstances such as where the user may wish to obtain further information about Azimuth, the Site, Content or services. In those circumstances, Azimuth will route the user e-mail to the appropriate party and will answer the question, but no user log or record is kept nor maintained by Azimuth, once the question or inquiry has been answered. Please note that the Internet is not a fully secure medium and that any e-mail messages sent may be lost, intercepted or altered, consequently we recommend that you do not include personal information in your e-mail communication with us. Azimuth is not liable for any damages arising from e-mail messages sent to us on the Site. With respect to any such information provided to Azimuth through the Site, you acknowledge and agree that:

- (a) the information is not confidential;
- (b) Azimuth has no obligation regarding such information; and
- (c) Azimuth may use, reproduce and disclose such information for any purpose.

18. Collection of Information by Third Party Sites

This Site contain links to other sites whose information practices may be different than Azimuth's. You should consult the other sites' privacy notices as Azimuth has no control over information that is submitted to, or collected by, these third parties.

19. Notice

Azimuth may provide notices of changes to the terms and conditions of use or other matters by displaying notices or links on the Site or by simply posting amended terms and conditions of use on the Site. You may provide notices to Azimuth by email at info@navigatingenergy.com. You are encouraged to print a copy of these terms and conditions to keep with your records and to refer back to in future.

20. Termination

Azimuth reserves the right, in its sole discretion, to terminate your access to the Site and the related services or any portion thereof at any time, without notice.

21. General

These Terms and Conditions will be governed and interpreted in accordance with the laws of the Province of Alberta. Any dispute under these Terms and Conditions will be brought in the Court of Queen's Bench, sitting in Calgary, Alberta. If you use the Site from another jurisdiction, you are responsible for compliance with any and all applicable local laws. Azimuth makes no representation that the Site or the Contents are appropriate for users outside the Province of Alberta. Azimuth reserves the right to changes these Terms and Conditions without notice at any time. Any changes will be posted to this page and it is your responsibility to ensure that you are aware of any such changes from time to time. Changes will become effective 24 hours after they are first posted and you will be deemed to have accepted any change if you continue to access the Site after that time. These Terms and Conditions operate to the fullest extent permissible by law. If any provision of these Terms and Conditions is unlawful or unenforceable, that provision is deemed severable from these Terms and Conditions and does not affect the validity and enforceability of any remaining provisions.

ALL RIGHTS NOT EXPRESSLY GRANTED HEREIN ARE RESERVED.
